

De-Terrorising the GOC

Is This Case for OCCS or GOC?

We would like to invite you to the North and North East Lincolnshire LOC event on Thursday 14th May 2020.

In this interactive peer group discussion, Richard Edwards, Clinical Consultant to the OCCS, will guide delegates through a number of case scenarios relative to the OCCS workload and also aligned to the GOC practice standards in place since 2016.

Three interactive CET points available for DOs and Optoms
